

JUSTIN DAVIS

Height 185cm/6'1" Chest 102cm/40" Waist 79cm/31" Collar 39cm/15.5"
 Hair Dark Brown Eyes Brown

FACT: Unlike you get the right cut, your jeans will make you look fat and disproportionate. Skinny, slim and straight leg work well on thinner body types, where as wide or straight legs with a bit of a flare are suitable to the more athletic or chunkier body types. Jeans can make a huge difference too. The bigger the crotch, the more it detracts from the shape of your body.
